Combien à gauche ? Combien à droite ?

←
gauche

→
droite

A grid of 24 yellow chicks arranged in four rows. The first row has two chicks: one on the left and one on the right. The second, third, and fourth rows each contain six chicks, with three on the left and three on the right of the central labels. The labels 'gauche' and 'droite' are positioned below a blue arrow pointing left and a red arrow pointing right, respectively, which are above two empty square boxes.
