

## Ecris les nombres qui manquent

A path of lily pads is shown, starting from a frog at the bottom left and ending at a frog at the top right. The path consists of 40 lily pads, each with a number in a red circle. The numbers are arranged in a zig-zag pattern. The numbers are: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40. The numbers 3, 7, 11, 15, 19, 23, 27, 31, 35, 39 are missing and are represented by empty red circles. A red question mark is next to the lily pad with number 10. There are also small green grass tufts and pink flowers scattered along the path.
